Is it true that you're a prosti-tute...?

Syrupy Love chapter 3

どろどろと恋 第三話

Why...

Why are you asking that?

... What?

What if I told you I was?

Oh? Was I wrong?

She's making a face I wasn't expecting.

That's it, that must have been a misunderstanding.

As I thought, those girls made a mistake.

But it's going to end up hurting Tsubasa-chan.

Eh...

Why do I want

to make sure she isn't?

Because I believe.

Why do you think I'm not a prostitute?

That can't be true.

What do you believe?

Tha-

...

Is that why you thought I was hit by a man?

Normally you wouldn't think my wounds would come from prostitution,

so did you hear it from someone, or did you actually see me?

I'm sorry, but the person you were believing in doesn't exist.

rattle

Do you want to think Tsubasa-chan being a prostitute is an unlikely thing?

She's right, I can't say anything.

thanks for bandaging me.

Ah, these wounds come from that, so

I'm

a coward.

Oh, you came today too.

It's the rain. I'm freezing.

I'm not.

Are you crying?

Come in!

I see.

Okay.

Here are some clothes and a towel.

Let me lend you my bath.

You're going to catch a cold.

*swoosh

Oh, that's cool.

Tsubasa.

Well, I won't ask why, but at least give me your name.

*cut ミヤキ

As an apprentice beautician, I can't leave you with that face.

I'm going to a technical college.

*cut ミヤキ

Appren-tice?

Well, we do have one or two things that differentiate us from one another.

You know, we're not that far apart, age-wise.

Some things happened.

Do you live here alone? What happened to your parents?

...

Here you go.

Doing what?

I'm Jun.

Play with you?

If you have some time to kill, do you want to play with me?

I used to run away from home too, you're like my little sister in a way.

What?

Tsubasa-chan.

I'm glad the rain is done.

There's no reason for that to be true.

You ran away from home right?

I like that setting.

Smile

Five, everything included.

How many hundreds?

People often tell us that.

You know I don't have that kind of money.

Ohhh? You don't look alike.

Yeah, then just lower the price a bit...

We won't sleep at all tonight.

But a threesome with two siblings is rare, you know?

Could this be?

Wha-? What??

This sucks, that dude looks like my father...

Then let's go.

I don't want to, I really don't.

#Scraping

#twitch

It's alright.

What's alright?

HOTEL NETS

Alright, go take a shower first.

This situation is not okay.

I don't think paying even this much is enough to take advantage of two sisters who ran away from home.

...

Jun, what are we doing?

Oh, that prefecture... He was bargaining even though lodging was included in his business trip!?

Here, quick!

Ne-next?

The next one is already settled online, let's go to the rendezvous quickly.

I've never seen a person like this before.

She doesn't have a hint of malice in her, yet she's doing it so openly.

Ahaha-haha.

Oh, you're finally smiling.

A middle aged man around the same age as my father making a lewd face at me and getting scammed by a kid like me...

I feel refreshed.

I don't care how much my dad says I'm a stupid girl who invites boys over... I don't give a fuck!

I'll betray you in a much more scornful way than just inviting boys over!

Haha

Ahahahaha

Serves you right!

Was it because I was still horny? Or maybe it was so far beyond even my dad's imagination that I found it feeling so good

Hmm.

chu ♥ kiss

It's absolutely fine, you're beautiful.

Herere

That's right, that's my Tsubasa!

Ah,

So you are a lewd girl in the end, Tsubasa-chan.

Kiss-
